

06/18/21

Geologists:

Starting Monday you will start designing your own rock castle. Materials that you can collect this weekend are: pop cans, various types of cardboard, plastic containers, etc. Whatever you bring on Monday, know that it will be the foundation for your rock castle and will be getting covered with grout and rocks. **ITEMS COLLECTED SHOULD BE NO LARGER THAN A POP CAN.** Bring your materials in a brown paper grocery bag. If you have any questions, feel free to email us. Thanks.
